Hello

**Your Name** has referred you to join Call Federal Credit Union. They are part of our community of members, loving it, and wanted to share the experience with you. Call Federal Credit Union provides passionately local banking, opening doors to our members' financial health. As a full service financial co-operative, we're driven by our members, rather than investors. And because we're not-for-profit, our earnings are passed along to our members in the form of lower loan rates, higher savings dividends, and fewer fees. Read more [about us](#) on our website.

Here's why they think you should join:

*They have outstanding service and great rates for your next car.*

We look forward to meeting you and learning about how you've managed your finances in the past, so that we can match your needs with the products and services that will serve you best going forward.

**If you're ready to join**, simply stop by a branch with the following:

- A current DMV-issued ID
- Your Social Security Number
- A minimum of \$5 for your initial deposit

Alternatively, you can [call](#) or [email us](#) with any questions you might have or to set up an appointment.

**If you are not interested**, not to worry, we won't bother you again. This is the only email you will receive.

Hope to see you soon,  
Call Federal Member Service Team
