

HAPPENINGS IN THE COMMUNITY

Better2gether Summer Picnic:
We hosted Better2gether's Annual Family Summer Picnic at the all-inclusive Park 365. It was a great time to relax, allow the children to play, enjoy great food, and most of all, spend time together.

Anthem LemonAid Stands: To support Richmond Ford's Anthem LemonAid Stand, we hosted our own LemonAid stands with a lot of personality, featuring Tinks' Lemonade and Tablespoon's Cookies for the Children's Hospital of Richmond. As promised, we are double matching our members' giving and will donate over \$6,000 to the hospital. Thank you for your support!

SOAR365 Summer Series: As the presenting sponsor of this event hosted in June and July, it was awesome to meet and greet with attendees and provide fun giveaways and information, as well as lead a kindness rock activity, various games and host an Anthem LemonAid stand. This was a great time for the community to come out and enjoy the all-inclusive Park365.

Youth Ice Cream Social: To celebrate our scholarship applicants and our youth program, we hosted an Ice Cream Social at two local Gelati Celesti locations. It was a fun evening to connect with our younger members and also show appreciation to our applicants.

FALL 2024

SOAR365 & CAR BUYING STORIES

We are proud to announce a donation of \$4,179.49 to SOAR365, a non-profit organization serving individuals with disabilities and their families in the greater Richmond area for over 65 years. This donation comes from our commitment to give 10% of the first month's interest from car loans financed by our members in February to May this year.

“At Call Federal Credit Union, we deeply desire to help make dreams come true, unite people by creating a sense of community and belonging, and demonstrate that we are all equal - equally deserving of happiness, the opportunity to thrive, and of love, hope, and care. Uniting our members in this fundraising effort brings a spirit of giving back that you may not often associate with financing a car.”

- Stephanie Couldrey, Chief Lending Officer
